Mr. Clarence Kewenaw

Dear Friend,

If you are
not already familiar with
them you will find these
essays very earnest, helpful
reading, I especially endorse
"Self reliance" "Friendship"
and "Heroism" You
will find them plentifully
marked, please excuse
said foot prints of my individ-
-ual appreciation.

I shall consider it a
favor if you will use
your pencil as liberally
in reading any of the
others.

Sincerely your friend
Grace
